# BUSINESS ANALYST

BUSINESS ANALYST makes an effort to expose business and economic phenomena to modern techniques of theoretical analysis and objective appraisal. Its aim is to promote research in these fields and to encourage empirical and inductive writings. Persons engaged in studying complex business and economic problems are invited to send their contributions for publication. Since the journal provides full analytical freedom to writers, the Editor and the Editorial Board do not accept any responsibility for conclusions and findings derived from factual data or via empirical reasoning.

Annual Subscription to Business Analyst is ₹ 300 for two issues. Single Issue is priced at ₹ 150. Those who wish to subscribe to this journal may send demand draft for ₹ 300 for one year subscription in favour of 'Principal, Shri Ram College of Commerce' payable at Delhi.
